## HOW TO READ YOUR RELATIONSHIP COMPATIBILITY REPORT

When two people are involved in a relationship, they get to know each other more deeply over time. At first, everything is wonderful and friction is rare. Then, as time goes by, you get to know other sides of your partner and, undoubtedly, discover some personality traits you don't like, and other traits you appreciate. The more time you spend together, the more you get to know each other. But even if you consider your relationship almost perfect, you will certainly experience at least some areas of possible friction.

The purpose of this report is to point out the different personality traits you possess, and how compatible they are. This report will help you identify those properties that are, at least to some extent, not compatible, and suggest how to prevent them from damaging, or dominating, your relationship.

It is important to also keep in mind that you may have some qualities that, although positive, are not compatible, but that negative traits are almost always a cause for friction. Therefore, you may find that this Relationship Compatibility Report is at times more critical and perhaps somewhat harsh - unlike most readings of this kind. If you feel uncomfortable with that, remember that this report was designed to throw light on those aspects in your charts that need to be understood and recognized, because if they are not, they can do a lot more damage than a few critical remarks in a reading.

Paul and Deborah, you will probably encounter some texts such as: "The compatibility aspect in this area of the chart is already included in other parts of this report, offset by other conditions or redundant". This is done in order to offer a perspective that is as well balanced and clear as possible, and repeating certain traits would place too much emphasis on them.

Master numbers are also handled somewhat different in a relationship compatibility report. They are reduced to their single digit values, because it is in the single digit's archetype that those personality traits are represented. If a number that appears in your chart is 11, 22, or 33, and the compatibility refers to the numbers 2, 4, and 6 respectively, this is not a typo but an indicator that the compatibility is based on the single-digit sum of your Master number.

You will also find that some numbers normally included in a personal numerology reading are not included in a relationship compatibility report. This is because the compatibility between two people is influenced much more strongly -- as much as

ninety-five percent -- by the core numbers, than by all the other numbers in the chart combined. In fact, the lesser numbers in the chart would only muddle the waters if analyzed in the context of a relationship compatibility report.

Paul and Deborah, I hope you will enjoy your Compatibility Report and, more importantly, I hope you will find this reading to be beneficial to your relationship.

## **LIFE PATH**

If ever there was a moment of total transformation, it was the moment of your birth. In that instant, you stepped through a door in time into a new reality -- the reality of human life. The most important number in your numerology chart is based on the date of your birth, the moment when the curtain goes up in your life.

Even at that moment, you were a person with your own unique character, as unique as your DNA. Everything that is you existed in potential, much like a play that is about to begin. Your entire life exists as a potential that has been prepared for. Paul, you have ultimate freedom to do with your life as you like: To fulfill its potential completely, or to make some smaller version of yourself. It all depends upon your effort and commitment. You make the decisions to fulfill, to whatever extent, the potential life that exists within you. That is your choice. In this sense, the possible you is implicit during the moment of your birth.

The Life Path number gives us a broad outline of the opportunities, challenges, and lessons we will encounter in this lifetime. Your Life path is the road you are traveling. It reveals the opportunities and challenges you will face in life. Your Life Path number is the single most important information available in your Personality Chart!

### ***Paul, your Life Path is 16/7***

Paul, you are the searcher and the seeker of the truth.

You have a clear and compelling sense of yourself as a spiritual being. As a result, your life path is devoted to investigations into the unknown, and finding the answers to the mysteries of life.

You are well-equipped to handle your task. You possess a fine mind; you are an analytical thinker, capable of great concentration and theoretical insight. You enjoy research, and putting the pieces of an intellectual puzzle together. Once you have enough pieces in place, you are capable of highly creative insight and practical solutions to problems.

You enjoy your solitude and prefer to work alone. Paul, you need time to contemplate your ideas without the intrusion of other people's thoughts. You are a lone wolf, a person who lives by his own ideas and methods. As a result, close

associations are difficult for you to form and keep, especially marriage. You need your space and privacy, which, when violated, can cause you great frustration and irritation.

When your life is balanced, however, you are both charming and attractive. You can be the life of a party, and enjoy performing before an audience. You enjoy displaying your wit and knowledge, which makes you attractive to others, especially the opposite sex.

But you have distinct limits. While you are generous in social situations, sharing your attention and energy freely, you are keenly aware of the need to "come off stage" and return to the solitude of your lair. You associate peace with the unobtrusive privacy of your world. Therefore, intimacy is difficult for you, because you guard your inner world like a mother lion does her cubs.

All this privacy and aloneness can cause isolation and loneliness, however. You can be aware of emptiness in your life, a part of you that yearns for company and close companionship that may be unsatisfied.

If isolation is brought to the extreme, you can become cynical and suspicious. You can develop hidden, selfish motives, which people may sense and may cause them discomfort around you. You must guard against becoming too withdrawn and independent, thus shutting out the love of others and keeping you from experiencing the true joy of friendship and close companionship.

Paul, you must especially watch out for selfishness and egocentricity, thinking of yourself as the center of the universe, the only person who really matters. Social contact gives you perspective on yourself and on life, while too much isolation can make you too narrow and even shut off from the rest of the world.

Secretly, you may feel jealous of the easy relationships formed by others; you may perceive others as less inhibited than you, or more free to express themselves. You may harshly criticize yourself for not being more gregarious, powerful, or capable of greater leadership.

Your challenge in life is to maintain your independence without feeling isolated or ineffectual. You must hold fast to your unique view on the world, while at the same time being open to others and the knowledge they have to offer.

With your abilities to learn, analyze, seek out answers to life's important questions, you have the potential for enormous growth and success in life. By the time you reach middle age, you will radiate refinement and wisdom.

Pythagoras loved the seven for its great spiritual potential.

Paul, your 16 Life Path also reflects the presence of a Karmic Debt. The 16 Karmic Debt means destruction of the old and birth of the new. The 16 is about the fall of the ego, and all that it has built for itself. It is a watershed, a cleansing. All that has been constructed, and all that serves to separate the person from the source of life is destroyed. Through the 16, reunion with the Great Spirit is accomplished.

This can be a painful process, because it usually comes after much ego inflation. This results in a struggle between the ego and the divine will. Life presents challenges to your grand plans, which can be resented and struggled against. It is a lost battle, and you will likely feel humbled in the face of the collapse that follows. This humility is the key to later success, however, because you will learn to follow the intimations of a higher reality. In the destruction of the old, a spiritual rebirth takes place with an entirely new awareness. This rebirth affects every area of your life. It is a life much the better for the fall.

Those with the 16 Karmic Debt must be careful of egotism. Very often, those with the 16 use their highly intuitive and refined intellect to look down upon others, and view the rest of the world as inferior. This causes acute alienation and loneliness. In addition, it invites retribution, for the egotist is humbled more harshly than any other. When the 16 is in one of the core numbers, this process of destruction and rebirth is a continual cycle that actually serves to bring you into higher consciousness and closer union with the source of life.

The 16 Karmic Debt can be a path of progress and great spiritual growth if it is looked at properly. One develops great faith by placing one's life in the hands of God. Through such faith, gratitude and peace are firmly established.

### ***Deborah, your Life Path is 18/9***

Deborah, you are the philanthropist, humanitarian, socially conscious, and are deeply concerned about the state of the world. You have great compassion and idealism. You are a utopian, and will spend your life trying to realize some aspect of your utopian dream, sacrificing money, time, and energy for a better world. It is in giving that you will find much satisfaction.

You have a broad outlook on life. You tend to see the big picture, rather than the minute details. You naturally attract people from all walks of life who can fit into your larger plans and take over the areas you find uninteresting. The person with a 9 Life Path is rarely prejudiced or accepts social biases of people. Instead, they evaluate people on the basis of what they can do for the larger cause. They are the true egalitarian.

Deborah, you are imaginative and creative, especially at harmoniously arranging the beauty already potential in the environment. These abilities can lead you into such fields as interior decorating, landscape art, and photography. But because of your strong social consciousness, you can be an effective politician, lawyer, judge, minister, teacher, healer, and environmentalist. Vocations that require self-sacrifice and have a clear social impact are common among 9s.

You are often disappointed by the realities of life: the shortcomings of others, or of yourself. Somehow, you don't want to accept the imperfections of the world, a

feeling that drives you constantly to try to improve upon it. But rather than be satisfied with your efforts, and those of others, you relentlessly push on, striving for greater accomplishments. You are often unsatisfied with the results. In short, you lack the perspective that would otherwise make it possible for you to enjoy life more fully, and accept its natural limitations.

You have a controlled enthusiasm and the ability to finish what you start.

A key to your personality is the necessity of sacrifice. You have to learn to let go of material possessions and relationships, the inherent lesson being that holding on too tightly to anything causes pain.

Money comes to you through mysterious or unexpected ways: inheritance; the benevolence of someone who was inspired by your work; or a lucky investment.

Conversely, if you pursue money for its own sake, after giving up on your larger dreams, you're likely to find yourself empty handed.

The most successful and satisfying road for a nine is giving; sharing and sacrificing for a larger goal, without expecting anything in return. Deborah, your greatest chance at success is to tie your personal fortunes to an endeavor that makes the world a better place for others. Very often, this turns into a highly successful and lucrative enterprise, providing amply for you and your family. Your life rests on the axiom that the more you give, the bigger your reward.

You are romantic, but your love is more impersonal. You tend to be focused on your dreams.

When you are not in harmony with your true nature, you can fall to moodiness, or become aloof, and withdrawn. You can become timid, uncertain, and ungrateful, putting the blame for your troubles on others or the world. You have a gift for examining your life objectively, and at some distance. Be honest with yourself. By openly facing your shortcomings, as well as your strengths, you develop equilibrium. You are thus able to love and better understand yourself and all of life.

### ***Your Life Path's compatibility is 7 and 9***

Paul and Deborah, your Life Path numbers are the most important numbers in your charts, and, as such, their compatibility is very important to the well-being of your relationship.

Paul and Deborah, the seven and the nine usually get along fine, as long as too much interaction is not required. Although compatible in some areas, they are not that interested in each other's issues. If you imagine the seven and the nine as two archetypes forced to spend some time together in a social event, you might see them politely chatting about superficial stuff for a couple of minutes, then lapse into extended silence. However, there is no dislike, the issue here is simply a lack of interest.

Paul and Deborah, although the numbers in this part of your charts add no particular excitement and energy to your relationship, on the plus side we find that they rarely cause any kind of discordance.

Religion is one of the few areas where the seven and the nine tend to be incompatible. Deborah thrives on faith and has the intuitive understanding that all things are in balance. This understanding is also the reason why Deborah may occasionally experience completely unexpected financial windfalls in the form of an inheritance or some other stroke of luck. Paul, on the other hand, needs to be able to recognize logic and does not accept anything at face value. Paul questions everything and religious belief, at least as reflected by the seven in this part of the chart, is alien to Paul's intellectual quest for understanding.

Sometimes, this can turn Paul into a skeptic, even cynical, which goes against the faith of the nine.

Your completely different taste may well generate other areas of conflict. Paul might enjoy life in a great metropolis, while a cozy chalet up on a hill in the countryside would be like Paradise for Deborah. But one thing is for sure: when it comes to deciding colors and objects for your home, the nine is unquestionably better suited.

## **EXPRESSION**

Your Expression number reveals your physical and mental constitution, the orientation or goal of your life. Some numerologists refer to this number as the Destiny, because it represents a lifelong target at which you are aiming. You work at fulfilling this potential every day of your life. Thus, the Expression number reveals your inner goal, the person you aim to be.

The Expression number reveals the talents, abilities, and shortcomings that were with you when you entered your human body. Your name, and the numbers derived from it, reveals your development, as well as the talents and issues you will be working with during this life.

For those for whom reincarnation is an accepted philosophy, the vibration of your full name can be seen as the totality of your personal evolution, the experiences, talents, and wisdom accumulated over many life times. Every experience, no matter how great or small, along this evolutionary path has influenced your development, and brought you to your current state of being.

The Expression is your being; the Life Path is the major lesson you are attempting to learn this time around. Time allows the gradual emergence of your personality. By reading the Expression number below, you will come to understand your basic nature and the abilities and issues inherent in your being.

***Paul, your Expression is 10/1***

You are a natural leader, independent and individualistic. Paul, you are extremely ambitious, original, and courageous. You employ new and unproven methods. You are an explorer and an innovator. Openness to too many peripheral influences limits and frustrates you. You are self-reliant, confident, and energetic.

You possess executive abilities and are most successful at owning or independently managing a business. You need the freedom to make your own decisions, based on your own ideas. You can be an astute politician. You also possess the ability to influence the opinions of your milieu.

The number 1 symbolizes the front-runner, pioneer, warrior, risk-taker, and daredevil. Generals, top politicians, successful businessmen, self-made millionaires, religious leaders, inventors, activists, and avant-garde artists are often born with a 1 Expression.

Strength and perseverance are central to your success. You must be willing to travel the frontiers of life, away from the beaten path. You possess a great reserve of willpower that must be directed at your goals. You do not give up, but relentlessly pursue your aims.

Paul, you are quite opinionated. People tend to be inspired or repelled by your strong personality.

You have great powers of concentration and the ability to visualize your goals, thus making them more attainable.

You stand up for your convictions and hold your ground. All of these abilities enhance your chances of success in life.

There is a tendency to be self-centered. You can be domineering and, in the extreme, a bully. You can be highly critical of others, complaining that people lack the industry or determination you possess. But this lack of understanding can alienate friends and family members from you. You must learn to control this tendency to maintain harmony in relationships.

Once you are convinced of the inherent correctness of your ideas, you stubbornly -- and sometimes rigidly -- defend and propagate them.

Avoid obstinacy and antagonism. You must cultivate balance, compassion, and perseverance.

You easily assume the role of protector. You spring into action when leadership is needed.

Pride can be your downfall. You so powerfully identify with your goals and ambitions that you sometimes refuse to see a potential flaw or weakness in your well-laid plans.

Paul, you possess strength and determination, which, when applied to any endeavor you are committed to, will lead you to great success in life.

### ***Deborah, your Expression is 21/3***

Deborah, you are optimistic, inspiring, outgoing, and expressive. People see you as cheerful, positive and charming; your personality has a certain bounce and verve that so powerfully affects others that you can inspire people without effort.

All of this upward energy is a symptom of your tremendous creativity. Your verbal skills may well lead you into the fields of writing, comedy, theater, and music.

Yours is the number of self-expression -- rich in imagination and spirit. But you have to be careful not to scatter your talents. Your bane is that you often lack discipline and order in your life. Avoid becoming a "happy-go-lucky" spendthrift, escaping responsibility and commitment. You must learn to concentrate and focus.

These are the keys to your success. You have great potential in the arts and areas that requires creative solutions to problems. You are able to perform leaps of imagination, providing unconventional ideas as if they suddenly descended from above. Hard work and focus, however, are the foundation for a successful future.

Though you possess great verbal skills, your mind tends to see life as pictures rather than in words. Yet, you have the ability to think abstractly.

Creativity is a sensitive faculty that is often suppressed in childhood. If you lack the confidence to pursue your ideas, you may divert your abilities into a scattering of trivial pursuits.

To overcome this problem, you must make a choice. Deborah, you have to limit your field of vision and the number of activities you engage in, and bundle your energies into a single thrust. Focus your life; choose the area that you love the most, and commit. There, you will find success. And a great deal of happiness.

Love, romance, and money are within your reach. You are aided by your friends and admirers. Often people appear out of nowhere to help you in key situations. Deborah, you have to learn to accept the involvement of others in your life. You are not a loner, nor are you particularly independent. You are social -- you need an audience and the support of others to fully realize your abilities.

On the down-side, you can be superficial, moody, and intolerant. You are emotional and sensitive, sometimes presuming criticism where none was intended. You can also be jealous and gossipy. Beware of becoming cynical and sarcastic. These traits can suppress your natural creativity.

Be goal-oriented. This is a practical, step-by-step approach to your larger ambitions. You possess the natural abilities to attain a high degree of excellence.

### ***Your Expression's compatibility is 1 and 3***

More than any other number in your chart, your Expression number reflects who you are as a person. Earlier, you read about the Life Path number and how

important that number is in your chart. However, the Life Path number reflects “the path you walk on,” and should be seen more as a powerful influence than as a part of your personality makeup. Your Expression number on the other hand, reflects a deeper part of you. It is more difficult to overcome possible negative traits you may have recognized in yourself when they are found in this part of the chart, than when they are found under the Life Path description.

It can't be emphasized too much how important it is to realize that numbers in different areas of the chart affect you differently, even when it is the same number. Sometimes, you may read something that seems to directly contradict earlier statements. Yet, if you take the time to think about them carefully, you will probably recognize that you, as a human being, are extremely complex and full of the same contradictions. This is simply the way we are. You may be organized in one area of your life, while chaos rules in another area. You may be tactful and sensitive in one setting, and direct and confrontational in another situation.

You are both blessed to form one of the best combinations -- one that is often a source of happiness and mutual pleasure for a long, long time. The individualism and originality of the one combined with the creativity and "anything goes" attitude of the three make for a wonderful, exciting, and often adventurous relationship. Unlike many couples, Paul and Deborah, you play together, laugh together, and often have truly inspirational and enlightening conversations. Of course, the number one's typical characteristics make Paul the central force in this relationship, while Deborah contributes to it by bringing the sunshine and lightness of heart that help the two of you overcome obstacles and challenges more easily than most other couples. Think of this relationship as the tree and the butterfly, and I am sure I don't have to tell you who is who in this paraphrase. However, in spite of the unusual number of positive aspects in this combination, you should be on the alert for some potential pitfalls. Paul values responsibility and loyalty, being very serious about goals and dreams, especially those involving other people's lives. Paul has an in-born ability to put forth effort over a long period of time and won't easily let any goal or dream go. On the other hand, Deborah is more playful and creative, as well as restless. Deborah may well change direction easily, especially when a particular goal may seem hard to reach. Deborah gets bored more quickly and may give up on a project before it starts bearing fruit, which can be very disturbing to Paul. However, paradoxical as it may seem, it is precisely this unlikeness between your personalities that brings balance to this relationship.

All in all, there is little negative to say about this combination. Therefore, with an eye on the possible pitfalls, just try to explore your respective natural qualities to the utmost and enjoy a very happy, enriching and rewarding life together for

many, many years - you may even be able to develop your relationship to perfection!

## HEART'S DESIRE

Your Heart's Desire is the inner you. It shows your underlying urge, your true motivation. It reveals the general intention behind many of your actions. Consequently, it dramatically influences the choices you make in life. The Heart's desire is seen as part of the larger picture, called the core numbers, which includes the Life Path, Expression, Day you were born, and Personality. But each points to a different aspect of you.

The Expression number reveals your talents and abilities, and your general direction in life. The Life Path is the central lesson you came into the world to learn. The Day you were born is very closely connected to your Life Path. It reveals specific talents you possess, which will be helpful to you in dealing with your Life Path. The Personality reveals how people tend to see you. It also demonstrates what characteristics you are projecting to the world. The Heart's Desire demonstrates the identity of the soul that joined the earth -- you, the spiritual being.

### ***Paul, your Heart's Desire is 13/4***

You like to live a stable, well organized life. You dislike sudden changes. You prefer orderliness in all things. You have a systematic mind that is reflected in everything you do. You can establish and maintain a routine. You are exacting with details and quite thorough.

You like to carefully analyze a problem and then tackle it in a logical and practical approach. You want to be dependable, a rock of strength and an example of discipline for others.

Work is central to your life, but you may have a tendency to overdo it; you can easily become a workaholic if you're not careful. You have a great deal of energy and can accomplish a lot.

You want a family and you are a good parent. You may carry the discipline and the need for orderliness too far, especially in your family, making children and spouse feel oppressed and limited. Flexibility is your key to harmony and balance in life. For you, structure is more important than freedom, which you tend to interpret as chaos. But others do not have your need for well defined systems, in fact, they may feel deeply inhibited and uncomfortable with it. The peace you get from orderliness may represent a prison to someone else.

Paul, you need and want much love, but you are not very demonstrative. You can be a little rigid and stubborn.

You are honest and unpretentious. You detest liars and affectations.

You can be very determined and tenacious. You are the bedrock of any enterprise. You have the courage to go into the nitty gritty of a problem and come up with a solution. Try not to lose sight of the larger picture and dream while you plumb the depths of the bottom line.

***Deborah, your Heart's Desire is 15/6***

Deborah, your attention is directed to helping and caring for those you love. You are exceedingly domestic. You love your home and family and work hard to make both comfortable and secure. Your love for family and friends is a major source of your happiness and sometimes unhappiness.

Your desire to help others is so strong that you often find yourself sacrificing your own personal needs for someone else's. You can overdo it, becoming too deeply involved in other people's lives. You risk interfering in personal matters and or smothering those you love in too much affection. This can be especially weakening to children, who never experience their own personal strength if an adult is too protective.

You are extremely loyal and rarely let anyone down. You need to feel appreciation for your giving and caring. You want to know that you are needed.

Deborah, you are generous and very forgiving. You are somehow able to overlook the worst mistakes in another and find enough good in that person to continue the relationship.

You are patient, warm, and sympathetic, sometimes to the point of sentimentality.

You have a natural ability as a counselor and healer. You are an excellent listener, compassionate and understanding. You are able to both sympathize and empathize with a person's dilemma. Your challenge as a counselor is to be adequately educated so that you can do more than provide a sympathetic ear or shoulder.

You possess a great deal of artistic talent, though you may not have a lot of confidence in your ability. Art gives you a great deal of pleasure and satisfaction. You are especially sensitive to your environment and have a knack for creating an artistic, healing, and harmonious atmosphere in your home or work space.

Deborah, your deepest intention is to love those around you, and be loved in return. Six is the most loving of all numbers, especially in one-to-one relationships. Your instincts are toward your family and friends. You envision a beautiful and harmonious life with love as the basis for all social interaction. Your love is returned manifold; people appreciate you and the love you give, and are willing to go to great lengths to keep you close at hand.

***Your Heart's Desire's compatibility is 4 and 6***

Compatibility of the Heart's Desire numbers is very important in a relationship - few relationships last beyond the initial stage if the Heart's Desire numbers are not compatible.

It is not all that common for these two numbers to "fall in love." Although these numbers carry some common traits - the two of them are practical, grounded, and highly responsible - they are rarely interested in each other. The four and the six are both family-oriented numbers, with a strong sense of community and loyalty to others, but they tend to compete where you might expect them to support each other. This is only one aspect of your charts, but, quite possibly, the hardest to overcome at the onset of the relationship. However, if support prevails over competition and you do become involved in a romantic relationship, it will usually be a strong, comfortable alliance right from the very beginning, an alliance that will, more often than not, last for a long time. It will be the kind of relationship others recognize and view as indestructible. It is understood that "Paul and Deborah are always together", you make the "perfect couple" - those are statements people around you wouldn't even consider questioning.

This contradiction is explained by the fact that you have a lot in common in some ways but, at the same time, you have some major differences to overcome.

As we mentioned, Paul and Deborah, the two of you are responsible and family oriented. Your priorities have to do with the home, children, friends, stability and security. You are both very loyal and protective of each other and of those you care about. It is in the underlying energy and in the way you express it that you are very different. While Paul relies on structure, discipline, and control to protect, love and care for others, Deborah relies on love, sacrifice and forgiveness. Paul is much less flexible and may, at times, feel that Deborah is too soft and forgiving. You make up a relationship typically characterized as the disciplinary father and the soft mother, or vice versa.

For those around you, the impression is that Paul is harder and less loving, while Deborah is pure love and gentleness. This is not an accurate perception, though. Paul's love is no less strong than Deborah's - it is just not as openly expressed. When push comes to shove, Paul will fight and sacrifice just about anything to protect Deborah, the children, or anyone else who is part of Paul's life.

A certain danger exists when some of these attributes become too strong. Paul's need for discipline and structure may, at some point, become too much for Deborah, suffocating and limiting Deborah's ability to express love easily and without fear. Another possibility would be Deborah becoming a bit of a doormat everyone takes advantage of, which might lead Paul to lose respect for Deborah. Paul and Deborah, you can, together, balance these opposites and maintain a strong and lifelong relationship if you just remember that, deep inside, you value the same things.

## PERSONALITY

Your Personality number is derived from the consonants of your full name at birth. Your Personality is like a narrow entrance hall to the great room that is your true nature. It is those aspects that you feel comfortable sharing with people at the outset of a relationship. With time and trust, you invite others into the deeper aspects of your nature; you reveal more of who you really are, in effect, your Heart's Desire, Expression, and so on.

Your Personality number often serves as a censoring device, both in terms of what you send out, as well as what you allow to approach. It discriminates in the kinds of people and information you let enter your heart and mind. For this reason, your Personality is usually much more narrow and protective in its definition than the real you. It can screen out some of what you do not want to deal with -- people or situations -- but it also welcomes those things that immediately relate to your inner nature.

Your Personality number also indicates how others perceive you. No one can be objective about himself or herself. Even our closest friends and relatives have trouble describing how they see us.

### ***Paul and Deborah, your Personality is 15/6***

Paul and Deborah, you both have the same number in this part of the chart. The following text therefore applies to both of you.

Paul, you radiate understanding and compassion. People sense your warmth and fairness. For this reason, you attract many people who are in need of comfort, including the disadvantaged. People tend to come to you to unload their burdens. You inspire confidence.

You have a fine sense of justice. You do everything in your power to keep the harmony and are even willing to sacrifice your personal desires for the good of others.

You can take this too far, however, sometimes playing the role of the martyr. You have to guard against being taken advantage of. You are not always a very good judge of character. You tend to see the best in others.

You also can become too involved in the lives of others, to your own detriment. (This aspect can be balanced by other numbers in your chart.)

You are hospitable and domestic. You love children and are a good parent. You are romantic, faithful and very protective.

You are artistic. You love music, flowers and gardening. You are a natural interior designer. You have an excellent sense of color and taste.

Paul, you are more concerned with the content of your personality than your

appearance, which causes you to be less conscious of the style of your clothes. You are more interested in comfort and the utility of clothing than the statement it makes.

Six Personality Numbers are exceedingly generous. You are not particularly logical when it comes to finances.

You are very vulnerable to praise and criticism. You tend to worry a lot, causing stomach problems.

People see you as a maternal or paternal figure. They want to relax in your presence and unburden themselves. You are the safe port in the crowd.

### ***Your Personality's compatibility is 6***

Quickly recognized when two people first meet, not many relationships even get started unless the Personality numbers are compatible.

Paul and Deborah, as a rule of thumb, relationships fare better when the core numbers found in the same location in a chart are not the same. An exception to this rule of thumb is the six, considered the most harmonious of all, the most loving and committed of all numbers, and rightly so!

Paul and Deborah, you both commit strongly to a romantic relationship. There is nothing you want more than to make the other person happy, to take care of and comfort your partner. You are dedicated to the point of being willing to sacrifice much of your own needs and desires towards this commitment.

You love kids, family, friends, and your local community. Your need to distribute love and comfort is such that, most probably, you will both get involved in something related to healing, teaching, counseling, or the arts.

Paul and Deborah, you must keep in mind that other numbers also play an important role in your relationship. However, even if some of those numbers are considered incompatible and bring in any negative influences, such influences will be at least in part diluted by the strongly compatible relationship found in this aspect of your charts.

There are instances, though, when the energy of the six may become overbearing, causing the relationship to shift from committed to co-dependent. This may happen, Paul and Deborah, if you allow your extremely protective feelings towards each other to cloud your judgment. Therefore, it is important that you maintain your individuality and your ability to find happiness and contentment in your own life without depending on your partner or anyone else. Jealousy is another possible danger you should guard against. The same protective feelings mentioned earlier, if out of control, can make one possessive, giving rise to jealousy and distrust; two human traits that have caused so much harm among people who, under normal circumstances, have no reason to

experience such negative thoughts and feelings. Therefore, if you catch yourself doubting your partner's faith with no real cause, step back and look at the situation as objective as possible.

Paul and Deborah, the six found in this part of your chart is a powerful asset to the relationship. It is a number that brings harmony and love to all other numbers. Make good use of this blessing and you will live a beautiful romance while distributing love and care not only to your own family but to your friends and community as well.

## **PERSONAL YEARS**

Your Personal Year number is a strong indication of the trends and circumstances you will experience during the year ahead. Your Personal Year cycles are based on the Universal Year cycles and therefore run concurrent with the calendar year. Transit and Essence cycles are based on the letters of your name and run from birth date to birth date.

There are nine personal year numbers, which makes up a complete Epicycle. Each Epicycle reveals the progression or evolution of a specific part of your growth. Paul, your progress along this Epicycle can be seen very logically, from the infancy or beginning of a growth period in your life, to the conclusion or culmination of that process. The 1 personal year indicates your first steps in a new direction. The years that follow indicate your progress along this path, concluding with your 9 Personal Year, which completes the cycle. Below is a description of your current Personal Year. It indicates where you are on the 9 year Epicycle.

The Personal Years form the building steps that mark your progress through life.

### ***Paul, your Personal Year for 2008 is 6***

This is a year of progress and financial advancement, Paul. Major career opportunities present themselves. It is a challenging year in which personal growth is joined with new responsibilities and challenges.

This is a year of domestic responsibility and attention to the needs of family and friends. It is a time of heart felt emotions and some sacrifice. It is a time for comforting and caring.

You realize the importance of your place within your community. You will be called upon to help others bear their burdens. You are the proverbial friend in need.

Paul, you must work to create an atmosphere of harmony and balance. It is often a time when marital issues surface and need attention. However, you possess the understanding to deal with such issues effectively if you apply

yourself with love and flexibility.

These deep feelings bring renewal to relationships and often a birth in the family.

May is an emotional month filled with the promise and the stress of imminent changes. June is a breakthrough and a relief. September brings advancement, October self- reflection and readjustments, and December brings a sense of completion and fulfillment.

### ***Deborah, your Personal Year for 2008 is 4***

This is a year to be organized and practical. Take care of details. Commit yourself entirely to your goals.

Deborah, your concentration and ability to focus will be much improved over last year. You will have an attitude of realism and determination.

There can be a sense of limitation and some frustration this year. However, it is a year of important opportunities that must be seized. There can be considerable work-related travel.

You must be flexible this year to make full use of the opportunities that present themselves. It will require a combination of perseverance, hard work, and versatility.

You will receive recognition for your efforts and support from your friends and family.

It is a good year to buy real estate or remodel your home. It is also a good time to take care of projects which have been postponed for too long.

Fulfill your obligations and do not be afraid to spend some of that hard earned money. Selling and trading during this year usually is quite successful.

This is the year to work on your foundation and prepare yourself for the many changes that will undoubtedly come next year.

As a result of your hard work, there will be much satisfaction and a feeling of accomplishment.

January and February will bring some important change, a new opportunity perhaps. March requires self-reflection and reshaping of your plans. It is a good time to meditate on what lies ahead. June brings a new and important step -- a breakthrough, perhaps -- in your work. October brings changes and a sense of chaos. Deborah, you may feel threatened by the changes that are on the horizon. But November brings assistance in the form of a promotion or additional financial support.

### ***Your Personal Year's compatibility for 2008 is 6 and 4***

Compatibility is as important with the cycles as it is with character traits. It is possible for a relationship between two people with otherwise very compatible

charts to break down as a result of encountering one or more incompatible cycles. However, it is much easier to overcome or avoid possible pitfalls resulting from incompatible cycles than from incompatible personality traits.

Deborah and Paul, the combination of cycles you are now undergoing offers a number of opportunities for you to improve the quality of all aspects of your life. You complement each other very well. It is a time of shared effort with Deborah focusing on the practical aspects and Paul on the heart and health of the relationship. Deborah and Paul, your energies are in line and enhance all the good qualities found in the four and the six. You will experience progress as well as financial growth, and will also manage to play a larger role in the community around you. You may even find yourself combining your forces to reach common goals. Very few negative influences may come from this combination of cycles. Even a tendency for Deborah to become irritated - perhaps even angry - a little quicker during a four cycle is easily lessened by Paul's ability to reach out and comfort Deborah.

***Paul, your Personal Year for 2009 is 7***

Paul, you will experience a strong tendency to spend more time alone, to delve inside and find some answers and to reach a better understanding of yourself. This is not a year for social activities nor is it a year to try and reach goals on a material level. You will find that the necessities of daily life seem to be taken care of by themselves. There is no need to be overly concerned regarding your material needs. Without slacking on your daily duties and responsibilities, you can afford to give more attention to yourself. This is a year for inner growth. It is your spiritual and mental presence that requires attention. Improve the quality of your life, read, contemplate and gain insight in yourself. You are important now. Rest and attend to your health. It is during this year that you strengthen the foundation of your life, after all your success in all matters rests upon the strength of your inner self. There will be many strange and unusual events inspiring you to take a closer look at life and an opportunity is there to experience the joy and beauty of life without any artificial or exterior involvement but purely the growing awareness of yourself. To much concern and desire for material rewards, Paul, will turn this period of your life into a very bad experience indeed, while a "let go and let god " attitude will make this such a fruitful and pleasant year that you may find yourself wondering what you did to deserve this.

***Deborah, your Personal Year for 2009 is 5***

This is a year of dynamic change, Deborah. Many surprises will come your way. Be open and ready to embrace new opportunities.

Do not be overly careful this year. This is a year in which a major step forward can take place if you are willing to take some calculated risks and do a little gambling. Wisdom and prudence is the key, but you will definitely be faced with choices that require fast action and a willingness to act before all the facts are in.

This is an exciting year in which you will be required to promote yourself in order to take full advantage of the opportunities that await you.

There will be increased opportunity to travel and possibly a change of residence.

You may be tempted by the desires of the flesh: too much food, alcohol, sex, and drugs. Be careful and discriminate. You could make mistakes in these areas.

You will have some unexpected adventures and lucky breaks this year.

This can be an unsettling year if you try to cling to outmoded methods or characteristics. This a year to throw off the old and adopt the new. It is a rebirth and a release after last year's struggle.

This is a year in which change takes place consistently, and particularly so in April and May. July is a breakthrough, a time to enjoy life. September can be intense, while October requires tact and balance in relationships.

### ***Your Personal Year's compatibility for 2009 is 7 and 5***

Deborah and Paul, this is one of the most healing and loving cycles you can experience. The five and the seven are very different, but they get along extremely well.

Deborah is undergoing a time of changes and dynamic energy. Paul, you are a bit more withdrawn than usual because your focus is on your inner life: who you are and where you are going. Although the cycles tend to influence you very differently -- outward for Deborah, inward for Paul -- these energies thrive on each other. Paul, your desire, consciously or subconsciously, to understand better who you are and where you want to go, as well as the fact that you are more quiet and subdued, creates somewhat of an aura of mystery around you. This is very attractive to Deborah, in particular during this time when nothing else seems subtle and mysterious. Deborah's charged energy and inspiring attitude has a powerful and positive effect on Paul, for whom this is like a lifeline to the "real" world. A mistake people in Deborah's position sometimes make, however, is to view their partner's quietness to mean that something is wrong. Don't make that mistake, Deborah. The one thing people in a seven period don't want is for someone else to try to draw them out of that quiet space. Paul would probably experience that as annoying and intrusive. Just be together. That is all it takes to make this a wonderful time of closeness and deeply felt appreciation.

### ***Paul, your Personal Year for 2010 is 8***

After last year's constant involvement with yourself and very possible occasional doubts about the state of your business or career you will find this year to be a relief, Paul. Things finally work out. Long postponed checks and promotions come through. You see the light at the end of your financial tunnel and an inner strength and confidence is breaking through. This is your year of harvest and, depending on the effort you put out in the past seven years, your reward will be equally large. There is a beauty in these cycles we can recognize and understand and in doing so we find ourselves "in the flow" and there is no more need to try and struggle upstream. So this year you will have an opportunity to involve yourself fully in work and material growth and bring home the rewards, at the same time a certain detachment is also necessary, for you and for the experience you have because it is not the reward that brings you happiness but your experience of life, which is why before the rewarding eight year you have had such opportunity for growth during the soul-searching of a seven year. Give in to your ambitions, you will find yourself more clear and focused and able to pursue and reach your goals. Paul, your power is visible and strong, mental creativity is high, vision and intuition will guide you, and at the same time you are more efficient and focused. There can be loss, serious loss, bankruptcy and failure, because always the rewards are directly proportionate to your effort and motivation, however you know the effort you put out and you know your motivations, so there must be no room for fear and doubt, only for success and winning and this year will undoubtedly turn out to be a very satisfying year.

***Deborah, your Personal Year for 2010 is 6***

This is a year of progress and financial advancement, Deborah. Major career opportunities present themselves. It is a challenging year in which personal growth is joined with new responsibilities and challenges.

This is a year of domestic responsibility and attention to the needs of family and friends. It is a time of heart felt emotions and some sacrifice. It is a time for comforting and caring.

You realize the importance of your place within your community. You will be called upon to help others bear their burdens. You are the proverbial friend in need.

Deborah, you must work to create an atmosphere of harmony and balance. It is often a time when marital issues surface and need attention. However, you possess the understanding to deal with such issues effectively if you apply yourself with love and flexibility.

These deep feelings bring renewal to relationships and often a birth in the family.

May is an emotional month filled with the promise and the stress of imminent

changes. June is a breakthrough and a relief. September brings advancement, October self- reflection and readjustments, and December brings a sense of completion and fulfillment.

***Your Personal Year's compatibility for 2010 is 8 and 6***

Although quite different, these cycles are nonetheless very compatible. Both of you, Deborah and Paul, will experience progress in career and other worldly matters. Paul and Deborah, this can turn out to be an excellent time that may well bring a financial windfall.

On a more personal level, you are also more involved with each other, albeit in very different ways. For Deborah, it is simply a matter of the heart. Deborah feels strongly committed and wants nothing more than to make Paul happy. For Paul, there is some awakening of leadership spirit and ambition, even within the relationship. And here is where we may encounter a possible pitfall. Paul, your tact and diplomacy are not particularly enhanced right now. You are taking more control of your life, but you have to be careful not to try and take control of the lives of those you care about, including, of course, Deborah's life. It is easy to see how that can become a source of friction: Deborah needs your love, not your leadership. Focus your ambition on other things and allow your heart, not your mind, to control your relationship.

## **PERSONAL MONTHS**

***Paul, your Personal Month for December 2007 is 8***

Paul, December is an 8 Personal Month in a 5 Personal Year and will be rewarding in many areas of life. This is a good time for business and money matters. But don't indulge in spending money to impress others or flaunt your success.

The 8 Personal Month brings balance in all material matters. Expect some recognition in your working environment, perhaps a bonus or promotion.

This is an excellent time to promote some of your ideas or any other input you have in relation to your career.

Romance is favorable too. Express your love. You will be more attractive than usual to members of the opposite sex.

***Deborah, your Personal Month for December 2007 is 6***

Deborah, December is a 6 Personal Month in a 3 Personal Year. The month stabilizes your work-environment, but requires that you work on your relationships and family affairs. You will be in the unique position to counsel and support

someone in your circle of friends and family with immediate and positive result.

It will be one of the most rewarding experiences of this year for you.

A promotion or a raise are possible, as is an increase in your workload.

This month is good for business and financial affairs, particularly for long-term planning and investment. If you are involved in legal affairs, the time is right to surge ahead.

Romance is also favorable. Commitments bring stability. For those who have become involved in a relationship during the course of this year, this is a good month to exchange vows.

This should be a wonderful time for most of those who are in the last stage of this 3 Personal Year. The holidays bring family and friends together, for much love and the rewards of the season.

### ***Your Personal Month's compatibility for December 2007 is 8 and 6***

Relationship compatibility of Personal Month cycles can have a powerful effect. But keep in mind: the cycle is short. So, if you run into turmoil, it helps to remember that it is in the nature of a cycle to be only temporary.

Note: The compatibility between cycles is repetitive, as is the nature of cycles. While the influence of Personal Month cycles represented by the same number, can vary greatly depending on the yearly cycle, the compatibility aspect changes very little. You will therefore find that the compatibility description is the same when, for example, a 3 and 4 Personal Month combination is found in a 5 year, as when it is found in a 6 year.

Therefore, you will find that the possible influence of your Personal Month cycles never repeats itself within any one-hundred-and-eight-month period. However, the compatibility aspect repeats much more often - generally every nine months - but sometimes even less than that, depending on your Personal Year cycle.

Although quite different, these cycles are nonetheless very compatible. Both of you, Deborah and Paul, will experience progress in career and other worldly matters. Paul and Deborah, this can turn out to be an excellent time that may well bring a financial windfall.

On a more personal level, you are also more involved with each other, albeit in very different ways. For Deborah, it is simply a matter of the heart. Deborah feels strongly committed and wants nothing more than to make Paul happy. For Paul, there is some awakening of leadership spirit and ambition, even within the relationship. And here is where we may encounter a possible pitfall. Paul, your tact and diplomacy are not particularly enhanced right now. You are taking more control of your life, but you have to be careful not to try and take control of the

lives of those you care about, including, of course, Deborah's life. It is easy to see how that can become a source of friction: Deborah needs your love, not your leadership. Focus your ambition on other things and allow your heart, not your mind, to control your relationship.

***Paul, your Personal Month for January 2008 is 7***

Paul, January is a 7 Personal Month in a 6 Personal Year and brings stability and clarity. Your career shows promise, but there is not any promotion or practical gain just yet.

If you are involved in legal affairs or have wanted to take care of something that involves the law, this month is a good time to start the necessary procedures. You may be notified of an impending legal procedure that affects you or a loved one.

Study or read and enjoy the much needed quiet after last year's hectic pace. Domestic affairs play a major role during this year and begin now. However, you will be feeling more intellectual than emotional during this month. Tolerance and forgiveness will not come naturally and you could be a little self-righteous. Try to be more flexible.

***Deborah, your Personal Month for January 2008 is 5***

Deborah, January is a 5 Personal Month in a 4 Personal Year. You experience some self-doubt related to your work situation. You may question your direction. This frustration will be in the background for most of the year, but this month particularly feels a little bit out of control. However, hidden forces are guiding you carefully and your best approach is to persevere.

Later this month, or early next month, an opportunity will come your way that represents a step forward in your career.

This month also brings some unexpected changes in other areas of your life; possibly an unexpected trip. Be cautious in all financial affairs.

Deborah, your family members demand a lot of attention and much practical guidance is required from you. They look to you for direction.

Social events are favorable, particularly when they are work-related. You will make a very positive impression on someone who can help you move forward.

If married or involved, maintain harmony and avoid rocking the boat.

***Your Personal Month's compatibility for January 2008 is 7 and 5***

Deborah and Paul, this is one of the most healing and loving cycles you can experience. The five and the seven are very different, but they get along extremely well.

Deborah is undergoing a time of changes and dynamic energy. Paul, you are a bit more withdrawn than usual because your focus is on your inner life: who you are and where you are going. Although the cycles tend to influence you very differently -- outward for Deborah, inward for Paul -- these energies thrive on each other. Paul, your desire, consciously or subconsciously, to understand better who you are and where you want to go, as well as the fact that you are more quiet and subdued, creates somewhat of an aura of mystery around you. This is very attractive to Deborah, in particular during this time when nothing else seems subtle and mysterious. Deborah's charged energy and inspiring attitude has a powerful and positive effect on Paul, for whom this is like a lifeline to the "real" world. A mistake people in Deborah's position sometimes make, however, is to view their partner's quietness to mean that something is wrong. Don't make that mistake, Deborah. The one thing people in a seven period don't want is for someone else to try to draw them out of that quiet space. Paul would probably experience that as annoying and intrusive. Just be together. That is all it takes to make this a wonderful time of closeness and deeply felt appreciation.

***Paul, your Personal Month for February 2008 is 8***

Paul, February is an 8 Personal Month in a 6 Personal Year and may bring upheaval in family affairs or with friends. The 8 carries a powerful balancing energy and much of that will be directed to your relationships. The truth will come out and you will have the opportunity to heal relationships that have been damaged by misconceptions. Real relationships will become stronger but superficial ones will break down.

Rewards and recognition in your career will also come to you this month. Often, the 8 Personal Month/6 Personal Year brings considerable progress and financial gain.

Romance is also strongly represented. You meet an attractive person, but the challenge here is to approach the situation with sensitivity and awareness. If you come on strong, you will blow the opportunity. Focus on sensitivity and avoid the temptation to be rude at all costs.

***Deborah, your Personal Month for February 2008 is 6***

Deborah, February is a 6 Personal Month in a 4 Personal Year. It brings an increase in responsibility and workload. You receive recognition for your efforts and abilities, and probably a financial increase, as well.

Perhaps even more important is the role friends and family play during the period. Loyalty and a willingness to sacrifice time and energy to your loved ones are needed.

You, in turn, receive comfort and satisfaction from their obvious love for you. It

is a time of love, warmth, and a strengthening of the bonds that form the foundation of your life. It is also a good time to start domestic projects, such as minor remodeling and home repair.

If you are not married and are not involved in a relationship, you may meet someone who catches your interest. In this case, the relationship will develop slowly but will endure. Deborah, your focus should be on being dependable and active.

There is no room for procrastination. Your health improves during this time.

### ***Your Personal Month's compatibility for February 2008 is 8 and 6***

Although quite different, these cycles are nonetheless very compatible. Both of you, Deborah and Paul, will experience progress in career and other worldly matters. Paul and Deborah, this can turn out to be an excellent time that may well bring a financial windfall.

On a more personal level, you are also more involved with each other, albeit in very different ways. For Deborah, it is simply a matter of the heart. Deborah feels strongly committed and wants nothing more than to make Paul happy. For Paul, there is some awakening of leadership spirit and ambition, even within the relationship. And here is where we may encounter a possible pitfall. Paul, your tact and diplomacy are not particularly enhanced right now. You are taking more control of your life, but you have to be careful not to try and take control of the lives of those you care about, including, of course, Deborah's life. It is easy to see how that can become a source of friction: Deborah needs your love, not your leadership. Focus your ambition on other things and allow your heart, not your mind, to control your relationship.

### ***Paul, your Personal Month for March 2008 is 9***

Paul, March is a 9 Personal Month in a 6 Personal Year and is often emotional because you may have to let go of someone close to you.

You experience relationships more deeply and feel greater warmth for others. You reach out for contact and substance. Other people will also be drawn to open up their hearts and minds to you. This reflects strongly in your relationship with family and friends, but also in the work-environment. People will come to you with their problems, seeking an understanding ear and a shoulder to cry on. You feel closer to your fellow man, and because of your attractive disposition you will receive much support from others.

Good news may come from your work that will boost your self-esteem. Move slowly and carefully where romance is concerned, however, because you are not in a position to make long-range plans.

### ***Deborah, your Personal Month for March 2008 is 7***

Deborah, March is a 7 Personal Month in a 4 Personal Year and should bring some significant changes in your outlook. Indeed, the month is filled with the mystery of life.

You are aware that you are developing spiritually. This is not a good time to deny important issues in your life, or be superficial about significant matters. Your dreams are vivid and if you take some time immediately after awakening to contemplate their meaning, you have the potential to gain some insights that uplifts you and raises your confidence in your life's direction.

You are mentally sharp and creative. You solve problems and gain insight into things that have floated in the background of your consciousness for some time.

It is a period of hard work -- possibly overtime -- juxtaposed with much soul-searching and the need for quiet contemplation.

You may be offered an opportunity to become involved in a new endeavor. Be careful with anything that promises a fast return. This year, long-term projects are far more favorable than get-rich-quick-schemes, or short-term gambles.

Your need for peace and quiet during this month may make your friends and family members wonder whether you have some problem that you are not willing to share.

### ***Your Personal Month's compatibility for March 2008 is 9 and 7***

Deborah and Paul, you may feel somewhat distant from each other during this period. You are both experiencing a lot of emotions that are not easily understood or explained. Although you share the need to be more inward focused than usual, the reasons are quite different. Deborah, in what is at least in part a subconscious effort, is seeking understanding and clarity. Deborah is on a path of increased self-awareness and spiritual growth. Paul is also influenced by energies that focus inward, but on a more practical and emotional level. Some hovering insecurity may cause Paul to feel less confident than usual. There are doubts and questions in Paul's life, but they are different in nature from Deborah's. Paul's turmoil is largely emotional.

There is a big difference in the way this internal search for understanding is experienced. Deborah, strange as it may sound, actually feels strong and capable. Paul, on the other hand, feels vulnerable. Paul needs you right now, Deborah. Paul doesn't per se expect any answers from you, but you can be a much-needed source of strength. For both of you, this is a learning cycle. And you will certainly come out spiritually and emotionally stronger.

### ***Paul, your Personal Month for April 2008 is 1***

Paul, April is a 1 Personal Month in a 6 Personal Year and brings new beginnings in several areas of your life. You have more energy and are ready to implement some changes in your life. Display aggression in your career and it will progress nicely. Start new projects. Take a chance. A 6 Personal Year often brings considerable financial gain, particularly in or around the months of April or November.

This is also a time in which matters of the heart come to some kind of climax. Young lovers get married, married people re-commit, and troubled relationships either work it out or separate.

The month of April brings challenges in the area of communication. Be careful what you say and how you say it so you don't stick your foot in your mouth. Actively pursue the things you want in your career, finances, and love-life.

Romance is very positive now and more people find their soul-mate during this period than at any other time during the 9 year cycle.

### ***Deborah, your Personal Month for April 2008 is 8***

Deborah, April is an 8 Personal Month in a 4 Personal Year. It promises to be rewarding financially as well as in other areas of life. There is a catch: It is essential to take care of details, to be reliable, and to keep things organized. If you allow yourself to get sloppy in any of these areas, the results could be disastrous. Still, the combination of numbers

(8 and 4) gives you ample support in all efforts at organization and management.

Respect, recognition, financial reward come to those who are careful. Financial problems and struggle (some may even experience bankruptcy) come to those who are careless. The more you stay clear and focused, the higher the rewards will be.

Relationships that are not related to work are not a high priority this month. Deborah, your attention should be given towards career and finances, as well as to people who play important roles in those areas of your life. The advice for this month is to get up early, put your nose to the grindstone, be organized, and don't hesitate to move yourself to the foreground in your work-environment. If you are due for a raise, ask for it. If a business associate is not fulfilling his/her duties, confront that person. If a payment is due, call it in.

### ***Your Personal Month's compatibility for April 2008 is 1 and 8***

The one and eight is an excellent combination to inspire both of you to get busy. Paul is pushing towards goals and Deborah is discovering goals. The two of you are treading on a path of progress and financial improvement, although there may be some danger involved for Deborah, who should be very careful and suspicious

of any get-rich-quick schemes.

The gap between the cycles is considerable and has to do with your different spiritual paths. This will become particularly clear during this period and may cause some problems in the relationship. Much of it is superficial and a helpful bit of advice is to just ignore it. Sometimes, in order to maintain a healthy, strong relationship, you need to talk about your differences. There are instances though, when it is better to just avoid the subject and accept the fact that you love each other but are two different people with different experiences. This is a time to ignore the differences and just enjoy each other's company.

Both of you, Paul and Deborah, are going through cycles that strengthen your position on the material plane, and during their span, your best approach is to focus on that. As to your intellectual and spiritual differences, you will be better off if you don't disturb sleeping dogs.

### ***Paul, your Personal Month for May 2008 is 2***

Paul, May is a 2 Personal Month in a 6 Personal Year and focuses on harmony and diplomacy in all relationships, including the work-environment. You are more sensitive and aware of the feelings of others than you were last month and you will be called upon to use those abilities. You will find yourself in the role of mediator/peacemaker in order to maintain harmony in the work place. Become a hard-nosed yet diplomatic negotiator. Find a balance between tact and sensitivity on one hand, and persistence and conviction on the other.

You will be able to meet these challenges and will come through with flying colors. Financial rewards will come. Keep things organized and take care of details or else you may find yourself in chaos by the end of this month. If you are involved in a legal tangle, and quite a few people in this stage of their Personal Rhythm Cycle are, you will gain some ground and find good reasons to be optimistic.

Romance is highly favored now, especially for new relationships.

### ***Deborah, your Personal Month for May 2008 is 9***

Deborah, May is a 9 Personal Month in a 4 Personal Year and may introduce some emotional turmoil due to a relationship gone awry.

A friend or co-worker has let you down. Your trust has been damaged and you realize that this is not just a temporary disappointment but the conclusion of the relationship. While you have reason to be angry, you should avoid self-righteousness.

You may want to remember that you are not without fault. This allows the anger and disappointment to turn into understanding and forgiveness, even if the

situation can not be saved.

As a way of healing this type of wound, life may offer you the opportunity to become involved in a good cause. Sacrificing some of your time and energy will prove very rewarding and will deliver some benefits that are not immediately obvious.

This month, your health requires some special attention, particularly your digestive tract. Watch what you eat. Avoid excesses.

It is possible that your career is heading for a change of direction, which may be of some concern for you. Look to next month for some insight into that aspect of your life.

### ***Your Personal Month's compatibility for May 2008 is 2 and 9***

Paul and Deborah, this is a time when you will be able to recognize whether the relationship is founded on real substance. You are both experiencing a time when emotional forces seem to rule. Paul is somewhat self-absorbed and emotional about pretty much everything. Vulnerable and sensitive, Paul is also more aware and finely tuned to recognize what is real and what is not. In order for the heart to see more clearly, some protective layers have to be dismantled. This is exactly what is going on with Paul in regards to the relationship. While the heart is seeking truth and clarity, it is also more exposed and vulnerable.

For Deborah, a different but no less emotionally charged period is reflected in the nine. Deborah is also searching for answers, but the question is not so much connected to the relationship as to Deborah, the human being. Deborah is facing a crossroads and not sure about which way to turn.

This is a very important time for Deborah, a time during which Deborah experiences ups and downs like a roller coaster. A time of growth and choice. Paul and Deborah, you are two people going through different emotional and spiritual changes. You will be able to support each other only in the most basic sense; you can give each other love.

If the relationship has real substance, you will get through this time with flying colors. If the relationship does not have real substance, you will both know that by the end of this period.

### ***Paul, your Personal Month for June 2008 is 3***

Paul, June is a 3 Personal Month in a 6 Personal Year and an excellent time to give yourself a break. Take some time off. Enjoy yourself. Don't be too serious. This is a time of enhanced creativity and originality. Become involved in playful activities. Participate in social events. You will meet new people who offer a welcome change to the routine aspects of your life.

Your career may seem unpredictable now but will be much better next month.

"Luck" in financial affairs is likely now. Romance is also favorable.  
The emphasize of this month is on fun and leisure. Enjoy.

***Deborah, your Personal Month for June 2008 is 1***

Deborah, June is a 1 Personal Month in a 4 Personal Year. It gives you a new start in some area of your life, perhaps career, or a some new project or endeavor.

This is a month of promise and opportunity. Your energy-level increases, as does your excitement for your new direction.

This period requires courage and flexibility. You should also be more verbal: Express your thoughts and feelings; inspire and motivate others to follow your lead.

You may have a difficult time relaxing or enjoying yourself outside working hours. But it's important that you do just that.

An attraction to someone at work may signal danger to you. Even if you are committed, this attraction will prove quite powerful. Be careful. It may damage your future in many ways, not least of which is your career. Consider postponing any action in this area.

***Your Personal Month's compatibility for June 2008 is 3 and 1***

Deborah and Paul, not only is this one of the most compatible cycles but it also shows that your cycles are usually compatible in nature. A gap of two will always be maintained, which, as a rule of thumb, is a good sign. Next time, your cycles will be two and four, the period after that three and five, and so forth.

For this period, Deborah, you are like someone who just awoke from a long rest, had a cup of coffee, and are now rearing to go. Your energy level is high. You feel strong and capable and don't want to be held back by anyone or anything. Paul also experiences a dynamic time, but with less focus and more play. Paul's energy is more directed towards creativity, self-expression and relaxation.

The only possible discordance with this combination of cycles usually lies in Deborah's perception of Paul's behavior as lacking responsibility. Paul is not in the mood to take anything very serious, which may become a source of irritation for Deborah. Deborah, you need to accept the fact that this period represents somewhat of a break – as matter of fact, a necessary break - for Paul.

***Paul, your Personal Month for July 2008 is 4***

Paul, July is a 4 Personal Month in a 6 Personal Year and it is a time to seriously apply yourself to your duties and responsibilities. Take charge in home, career, and community affairs. Be patient and apply yourself to routine and

details diligently. Organize your personal life and your career. Tie up loose ends. Start projects that will improve your living situation such as repairing the house or starting a garden.

Someone in your circle of friends and relatives needs help. Usually, this is a younger person who has not yet found stability or purpose in life.

This month may well bring an excellent opportunity in your own career. Focus on legal affairs. Discipline and effort are the key-words for this month.

Romance takes a more serious turn. Expectations are expressed and commitments made.

### ***Deborah, your Personal Month for July 2008 is 2***

Deborah, July is a 2 Personal Month in a 4 Personal Year. At this time, your relationship with the people in your work or business environment is extremely important. You will need to be sensitive to their needs and desires and you will probably be called upon to play the role of mediator in a conflict between some of these people. Your success in that role will directly affect your future.

You may be disturbed by these new challenges because they emerge at a time when your workload is considerable. However, you are more sensitive and better able to discern the true basis of the conflict this month.

Deborah, your enhanced sensitivity also helps you in other areas of your life. Romance is strongly represented but should be kept out of the work environment, which may not be an easy thing to do.

You may have the opportunity to go to a concert or some other musical event and because of your enhanced sensitivity, such events will prove very therapeutic.

Pamper yourself in healthful ways, such as massage, a new exercise and dietary regime, or some time near the ocean, in the mountains, in the forest.

### ***Your Personal Month's compatibility for July 2008 is 4 and 2***

For Deborah, a time of growth as a result of networking, meeting people in relation to work or business, and consolidating plans. For Paul, a time of hard work, focus, and probably a fair amount of frustration. For both of you, Deborah and Paul, the focal point should be career, work, your plans, and your future. The relationship is not much of an issue. It is possible that you will experience times when you don't seem to communicate much or share as much time together as usual. You may even feel that you are pulling away from each other. Don't worry. It is simply a matter of not being able to be in two places at the same time.

This, however, is only one side of the coin. On a more subtle plane, it is almost as if the opposite takes place. Because for Paul this is also a time of finding

stability and comfort. Of placing things where they belong and establishing boundaries and territories. While for Deborah the heart rules and emotions are strongly felt and quickly displayed. This means that you complement each other. While Paul works on the practical aspects of your relationship, Deborah energizes the relationship on a deeper level. You could say that during this time, Paul works on the home and Deborah works on the heart.

***Paul, your Personal Month for August 2008 is 5***

Paul, August is a 5 Personal Month in a 6 Personal Year and brings some changes in work and your personal life. It is a dynamic time and nothing goes according to plans. Play things by ear.

Your career progresses well as a result of your enhanced ability to find creative solutions. You make a good impression on some people who are in a position to reward you. There will, however, be a confrontation between you and a co-worker, with long-ranging affects. The outcome will depend on your personal strength and self-confidence.

If you are involved in business deals or legal affairs, some surprising changes may take place. In all areas of your life, flexibility and adaptability are important. Paul, your friends and family require a lot of attention. Social gatherings are frequent and will bring new relationships into your life.

Traveling, perhaps across the ocean, is possible and favorable.

Romance is exciting. Be socially active. If you are single, you could meet someone who will be a permanent part of your life.

***Deborah, your Personal Month for August 2008 is 3***

Deborah, August is a 3 Personal Month in a 4 Personal Year and is a good time for some relaxation. You will find your workload a little less demanding and may want to take some time off.

You are upbeat and optimistic and able to inspire and uplift others. Do not take matters so seriously this month. It's a time of enhanced creativity and practical application.

You are original in your approach to problem-solving. You receive inspiring ideas and are able to turn some of them into reality. You impress others with your deep understanding of the issues.

This month also brings spiritual realizations and insights.

You are more aware of the underlying forces that are at play in your life and in the world around you.

The challenge of this month is in overcoming a fear. Deborah, you may find yourself confronting some injustice. It may be necessary to meet that injustice alone. Stand up for yourself!

Be wise, but do not seek to avoid the issues.

***Your Personal Month's compatibility for August 2008 is 5 and 3***

This is one of the most compatible combinations of cycles, Deborah and Paul. You are both experiencing a time of enhanced energy and dynamic growth. Within the contexts of your relationship, you are able to communicate well, enjoy each other's company, and play off each other's energy. Lower blood pressure and less stress bring more flexibility to the body and to the mind, which explains why this is considered a cycle of healing.

There is little negative to say about this combination of cycles, except for the inherent danger of having too much fun. Quite often, the three as well as the five draw elements of danger in their search for new and exciting experiences, which does not go unnoticed to those around you. You will have to be careful not to draw into your circle people whose influence is less than desirable.

***Paul, your Personal Month for September 2008 is 6***

Paul, September is a 6 Personal Month in a 6 Personal Year and forces you to deal with the issues of responsibility and loyalty. Devote your time and energy to the needs of family and community. Become involved in some sort of activity that will benefit others financially. You will, and should be, concerned less with your own financial affairs, than with those involving others. Be selfless and generous in all areas of your life. It is a time to forgive and heal. You are highly aware of your bond with the people you love, as well as with neighbors and co-workers.

Legal affairs you might be involved in come to the foreground.

Financially, September has the potential to be very good.

Romance is shaky. Choose your words well and follow up on promises. Don't forget birthdays.

***Deborah, your Personal Month for September 2008 is 4***

Deborah, September is a 4 Personal Month in a 4 Personal Year. Six months or a year from now, you will look back at this month and realize that in some way it represented a turning point on your path to success.

However, you may feel frustrated during this month and wonder why everything is moving so slow. In a way, it seems that life has you in a straight-jacket, but in fact you are being protected from yourself. The emphasis is on the irritating and seemingly unnecessarily details. You are forced to deal with things you consider a waste of time. These loose ends can no longer be ignored, but you feel frustrated by the limitations of time and the massive amount of work.

The situation is, in fact, two-sided: One side is effort, the other reward. You are

being prepared to take full advantage of a string of opportunities that will begin next month, and will continue all next year. The challenge for you is to keep up. For that reason, you must finish the work in front of you now, to make room for the opportunities to come.

Meanwhile, guard your health, especially against the effects of stress and frustration. Deborah, you would do well to eat healthy foods and in a regular and orderly fashion. Go to bed early; read to widen your view and escape. Do not dwell on the negative. Leave affairs of the heart to themselves for a while, until this intense period passes.

Late this month, you will start to see the light at the end of the tunnel, but looking back you will be grateful and relieved that you took on this process of re-organizing the basics in both, your work and your personal life.

### ***Your Personal Month's compatibility for September 2008 is 6 and 4***

Paul and Deborah, the influences and compatibility of this month's cycle are already incorporated in the compatibility as described in the section of this year's Personal Year cycle. An analysis of this month's compatibility is therefore redundant. You may, however, want to take another look at the description of the compatibility of this year's Personal Year cycle, keeping in mind that the compatibility for this month will reflect the same influences.

### ***Paul, your Personal Month for October 2008 is 7***

Paul, October is a 7 Personal Month in a 6 Personal Year. Distance yourself somewhat from the affairs and troubles of other people. During the course of this year you have been asked to help, counsel, and advise others many times. Now, give yourself a break. Spend time alone for contemplation and meditation. Study and reading are also favorable. Your workload does not decrease but much of it is routine and allows you to mentally drift. Still, your mind is sharp and you can easily concentrate when you want to.

Inner healing takes place. Old wounds may be reopened. There is some sadness and nostalgia, but the healing is real and needed. This is a time of spiritual growth. Postpone decisions regarding financial affairs, if possible, until next month.

Matters of the heart are also a low priority. You are not very clear this month and would rather not be bothered with it. Emphasize your personal well-being. Diet, exercise, and go for walks. Don't distract yourself from soul-searching by watching television or other mind-numbing practices.

In many ways, your experience of this month will set the tone and direction for next year.

### ***Deborah, your Personal Month for October 2008 is 5***

Deborah, October is a 5 Personal Month in a 4 Personal Year. It brings opportunity and change. You may be asked to go on a trip related to work or business. This trip is unexpected but will bring very positive results. Another possibility is that you are offered a transfer and promotion. Either way, there will be changes in your environment.

Now is the time to take some chances, to promote your self unabashed, and to reach out to other possible sources of income. If you are in sales or business, this is one of the most promising times of your life. If your work is more service-oriented, you may receive a long-awaited promotion.

Friends and family members are supportive. Romance is exciting. This is a dynamic month in all respects and will wipe away the frustrations of last month. However, a warning is in place: You may have a tendency to make impulsive decisions, to be a little irresponsible, and to put your foot in your mouth. This hectic and dynamic month brings with it some chaos, and restraint is needed in order to maintain some control over the events.

### ***Your Personal Month's compatibility for October 2008 is 7 and 5***

Deborah and Paul, this is one of the most healing and loving cycles you can experience. The five and the seven are very different, but they get along extremely well.

Deborah is undergoing a time of changes and dynamic energy. Paul, you are a bit more withdrawn than usual because your focus is on your inner life: who you are and where you are going. Although the cycles tend to influence you very differently -- outward for Deborah, inward for Paul -- these energies thrive on each other. Paul, your desire, consciously or subconsciously, to understand better who you are and where you want to go, as well as the fact that you are more quiet and subdued, creates somewhat of an aura of mystery around you. This is very attractive to Deborah, in particular during this time when nothing else seems subtle and mysterious. Deborah's charged energy and inspiring attitude has a powerful and positive effect on Paul, for whom this is like a lifeline to the "real" world. A mistake people in Deborah's position sometimes make, however, is to view their partner's quietness to mean that something is wrong. Don't make that mistake, Deborah. The one thing people in a seven period don't want is for someone else to try to draw them out of that quiet space. Paul would probably experience that as annoying and intrusive. Just be together. That is all it takes to make this a wonderful time of closeness and deeply felt appreciation.

### ***Paul, your Personal Month for November 2008 is 8***

Paul, November is an 8 Personal Month in a 6 Personal Year and is an excellent time for business ventures, financial affairs, and all things related to the material world. You receive recognition for past effort in the form of financial rewards, respect, and possibly promotion. Implement any changes you have been considering in your business affairs. As always, when the 8 shows up in the chart, a certain amount of balancing takes place. Punishment and reward are both possible. If you have put out sincere effort, the reward will be there. However, for some people, this month may bring bad news.

This is a good time to straighten out financial dealings you may have with friends or relatives as well.

This is not a good time to go into debt. But it is a good time for love. Strong feelings and passionate exchanges on the emotional and physical level make this an exciting month.

### ***Deborah, your Personal Month for November 2008 is 6***

Deborah, November is a 6 Personal Month in a 4 Personal Year. It offers the chance to strengthen your foundation in life. You pay close attention to the needs of your family and circle of friends. You are serious and responsible in all matters related to career and receive recognition and respect for that.

Financially, this could be a good month with an unexpected reward coming sometime during the last week. In many ways, this month brings blessings and can be very satisfying.

Your workload is considerable but doesn't burden you as much as it did during other times of this year. You have the energy and feel confident that you are now moving in the right direction. Feelings of insecurity and frustration that loomed so prominently during most of this year are disappearing. Deborah, your friends and family members display strong signs of loyalty and feelings are expressed more freely. One or more of your friends or relatives needs a boost and comes to you for help. You are happy with the opportunity to help out in a practical way as well as with moral support. You play the role of (m)patriarch.

The only troubling experience during this month will be the need to deal diplomatically and tactfully with a long-standing problem, perhaps with someone at work. A basic personality conflict has been the cause of friction between you and a co-worker, and this can no longer be ignored. Tension will come to a head but there is an opportunity to turn a difficult relationship into one of tolerance and mutual respect.

### ***Your Personal Month's compatibility for November 2008 is 8 and 6***

Although quite different, these cycles are nonetheless very compatible. Both of

you, Deborah and Paul, will experience progress in career and other worldly matters. Paul and Deborah, this can turn out to be an excellent time that may well bring a financial windfall.

On a more personal level, you are also more involved with each other, albeit in very different ways. For Deborah, it is simply a matter of the heart. Deborah feels strongly committed and wants nothing more than to make Paul happy. For Paul, there is some awakening of leadership spirit and ambition, even within the relationship. And here is where we may encounter a possible pitfall. Paul, your tact and diplomacy are not particularly enhanced right now. You are taking more control of your life, but you have to be careful not to try and take control of the lives of those you care about, including, of course, Deborah's life. It is easy to see how that can become a source of friction: Deborah needs your love, not your leadership. Focus your ambition on other things and allow your heart, not your mind, to control your relationship.
